

Highly sought after by discerning home and business owners alike, our reclaimed clear flatsawn Heart Pine floor is one of the most elegant and warming floors we mill.

In traditional formal fashion, there are very few, if any, pin knots (under 1/2") or small nail holes. Checking is infrequent, and antique growth ring concentration is eight to the inch and greater.

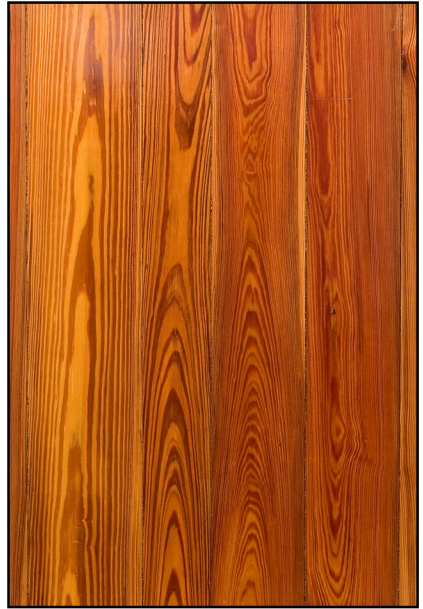

Standard Dimensions

2.5" - 12" wide planks (*wider w/ special order*)

2' to 12' lengths

3/4" thick

Tongue-and-groove and end-matched.

Grain

Straight, with some irregularities and figure. 95%-100% heartwood content.

Color

Heartwood ranges from delicate yellows through oranges and into red and reddish-brown. Sapwood, if present, is a pleasant yellowish-white.

Character

Very few, if any, pin knots or small nail holes.

Hardness & Stability

A moderately hard and very stable wood. 1225lb_f on the Janka hardness scale. ~2.56 pounds per square foot.

Certifications

Qualifies for LEED MRc3, Materials Reuse credit. May qualify for LEED MRc5, Regional Materials credit.
